

# GPS and Telematics Consent Form

## Consent Details

Full Name

Employee/Driver ID

Vehicle Description/ID

## Notice and Consent

I acknowledge that the company vehicle assigned to me may be equipped with GPS and telematics devices. I understand that these systems are used for business and safety purposes, including monitoring the use and location of vehicles, driver behavior, and vehicle performance.

I understand the company may collect, store, and use data transmitted by these devices as outlined in company policy, in compliance with relevant privacy laws and regulations.

☐

I have read and understand the above information and provide my consent.
