

Microbiology Science Project Proposal

Project Title

Student Name(s)

Grade/Level

Teacher/Supervisor

Date

1. Background and Purpose

2. Research Question / Hypothesis

Research Question

Hypothesis

3. Materials and Methods

Materials

Methods / Procedures

4. Variables

Independent Variable(s)	Dependent Variable(s)	Control Variable(s)
<div></div>	<div></div>	<div></div>

5. Expected Results / Data Collection

6. Safety Considerations

7. Bibliography / References

Notes
