

Laboratory Animal Use Protocol

1. Project Information

Project Title

Principal Investigator Name

Department

Contact Email

2. Funding Source

Source of Funding

3. Animal Species & Numbers

Species

Strain/Breed (if applicable)

Total Number of Animals

Justification for Number of Animals

4. Purpose & Objectives

Purpose of Animal Use

Scientific Objectives

5. Procedures Description

Description of All Procedures

6. Anesthesia & Analgesia

List Anesthetic Agents & Methods

List Analgesic Agents & Methods

7. Euthanasia

Method of Euthanasia

8. Personnel

List of Personnel Involved & Roles

9. Animal Housing & Care

Housing Conditions

10. Hazards & Safety

Potential Hazards and Safety Measures
