

# Biomedical Research Ethics Approval Form

## 1. Project Information

Project Title

Principal Investigator

Affiliation / Department

Contact Information

Research Team Members

---

## 2. Study Details

Project Summary

Objectives

Methods

Study Duration

### 3. Participants

Study Population

Recruitment Process

Inclusion/Exclusion Criteria

Informed Consent Procedure

---

### 4. Risks and Benefits

Potential Risks

Potential Benefits

Risk Mitigation Measures

---

### 5. Data Management

Data Confidentiality and Security

Data Access and Storage

Anonymity of Participants

---

## 6. Declarations

Declaration by Principal Investigator

Date

Signature
