International Collaborative Research Ethics Approval Request Form

1. Project Information

Project Title

Project Summary

Proposed Start Date

Proposed End Date

Field(s) of Research

2. Principal Investigator (PI) Information

Name

Institution

Email

Country

3. Collaborating Institutions

List all collaborating institutions (name, country)

4. Research Details

Brief Description of the Research Objectives

[   ]

Study Design & Methodology

[   ]

Countries Involved

[   ]

Data Collection Methods

[   ]

Type of Data/Samples to be Collected

[   ]

5. Ethics Approval Status

Has ethical approval been obtained from any institution?

[▼]

If yes or pending, provide details (institutions, reference numbers, dates)

[   ]

6. Participant Information

Participant Groups (e.g. adults, children, vulnerable populations)

[   ]

Estimated Number of Participants

[   ]

Recruitment Procedures

[   ]

7. Data Protection and Confidentiality

How will data confidentiality and participant privacy be ensured?

[   ]

Data Storage and Security Procedures

8. Other Relevant Information

Any ethical issues not covered above

Comments or Additional Information

9. Declaration

Declaration by Principal Investigator

Date

Signature
