

# Amphibian Environmental Impact Protocol

## 1. Project Information

Project Title

Location

Date

Surveyor(s)

---

## 2. Site Description

Habitat Type

Coordinates

Weather Conditions

Site Description

---

## 3. Amphibian Survey

Species Observed

Abundance (individuals per species)

Life Stages Observed (eggs, larvae, adult)

Behavioral Observations

---

## 4. Environmental Impact Assessment

Possible Impacts Identified

Severity of Impacts

Mitigation Measures Proposed

Follow-up Actions

---

## 5. Additional Notes
