## **Avian Behavioral Study Protocol Form**

## **Project Information**

| Project Title                |
|------------------------------|
|                              |
| Principal Investigator       |
|                              |
| Institution / Organization   |
| Contact Information          |
|                              |
|                              |
| Study Overview               |
| Objectives / Aims            |
|                              |
| Auton Openius                |
| Avian Species                |
| Number of Subjects           |
|                              |
|                              |
| Methods                      |
| Behavior(s) to be Observed   |
|                              |
| Location(s) of Study         |
|                              |
| Study Timeline / Duration    |
| Brief Description of Methods |
|                              |
|                              |
|                              |
| Data Collection              |
| Data Recording Methods       |
| Video                        |
| Audio                        |
| Audio                        |

| Manual Notes                   |
|--------------------------------|
|                                |
| Photography                    |
|                                |
| Other                          |
| Data Storage / Management Plan |
|                                |
| Ethical Considerations         |
| Animal Welfare Measures        |
|                                |
| Permits / Approvals            |
|                                |
| Additional Notes               |
| Additional notes               |
|                                |
|                                |
|                                |
