

# Energy-Efficient Hospitality Business Pledge

As a committed member of the hospitality industry, we pledge to support a sustainable future by implementing energy-efficient practices in our operations. We recognize our responsibility in minimizing our environmental impact and promoting a greener future.

## Our Commitments:

- Reduce energy consumption wherever possible.
- Continuously monitor and optimize energy usage in our facilities.
- Educate staff and guests about energy-saving practices.
- Invest in energy-efficient equipment and technology.
- Collaborate with partners and share best practices.
