

Pressure Vessel Welding Quality Control Report

Project Name

Report No.

Date

Location

Client

Inspector

Pressure Vessel No.

Drawing No.

Component

Welding Details

Weld Joint No.	Joint Type	Welding Process	Base Material	Filler Material	Welder ID	WPS No.

Welding Parameters

Current (A)	Voltage (V)	Travel Speed	Polarity	Preheat Temp (°C)	Interpass Temp (°C)

Visual Inspection

Surface Condition	Weld Profile	Undercut	Porosity	Cracks	Spatter	Other

Non-destructive Testing (NDT)

Type	Extent (%)	Result	Remarks

Remarks / Notes

Inspector's Signature

Date
