

Equipment Failure Analysis

Date:

Document Number:

Prepared By:

1. Equipment Information

Equipment Name:

Model/Serial Number:

Location:

Manufacturer:

Installation Date:

2. Failure Details

Failure Date/Time:

Description of Failure:

Impact of Failure:

3. Failure Analysis

Observed Symptoms:

Possible Causes:

Root Cause:

Analysis Performed:

4. Corrective and Preventive Actions

Immediate Action Taken:

Long-term Corrective Actions:

Preventive Measures:

5. Parts Replaced / Repairs Done

Part Name	Part Number	Quantity	Remarks

6. Follow-up and Verification

Follow-up Actions:

Verification of Effectiveness:
