

Solar PV System Design Calculation Submission Form

Full Name

Email Address

Project Name

Project Location

System Capacity (kWp)

PV Module Model

Number of Modules

Inverter Model

Number of Inverters

Array Tilt Angle ($^{\circ}$)

Array Azimuth ($^{\circ}$)

Available Area (m^2)

Daily Load Requirement (kWh/day)

Average Solar Irradiance ($\text{kWh}/\text{m}^2/\text{day}$)

Battery Storage (kWh)

Battery Type

Design Calculation Details

Additional Notes
