

Motor Control Circuit Evaluation Sheet

Date

Evaluator

Project/Device

Location

Department

Reference Number

1. Motor Circuit Details

Item	Description	Remarks
Motor Type		
Power Rating		
Voltage		
Control Method		
Starter Type		

2. Visual Inspection

Criteria	Pass/Fail	Remarks
Wiring Layout		
Component Mounting		
Grounding		

3. Functional Checks

Test	Status	Remarks
Start/Stop Control		
Overload Protection		
Interlock System		
Indicator Function		

Additional Notes / Recommendations
