Design Validation Checklist

Validation Item	Completed	Comments / Notes
System Requirements Defined	<input type="checkbox"/>	<div></div>
Hardware Specifications Verified	<input type="checkbox"/>	<div></div>
Software Architecture Reviewed	<input type="checkbox"/>	<div></div>
Mechanical Design Confirmed	<input type="checkbox"/>	<div></div>
Electrical Design Reviewed	<input type="checkbox"/>	<div></div>
Sensor and Actuator Validation	<input type="checkbox"/>	<div></div>
Power Management Validation	<input type="checkbox"/>	<div></div>
Communications/Networking Tests	<input type="checkbox"/>	<div></div>
Safety Requirements Met	<input type="checkbox"/>	<div></div>
Compliance with Standards	<input type="checkbox"/>	<div></div>
Environmental Conditions Tested	<input type="checkbox"/>	<div></div>
Performance Benchmarks Achieved	<input type="checkbox"/>	<div></div>
User Interface Validated	<input type="checkbox"/>	<div></div>
