## Inspection Checklist

Item	Status (OK/Defect)	Remarks
External Surface Condition		

Insulation Condition	<input type="text"/>	<input type="text"/>
Supports and Attachments	<input type="text"/>	<input type="text"/>
Welds & Joints	<input type="text"/>	<input type="text"/>
Nozzles & Connections	<input type="text"/>	<input type="text"/>
Leakage	<input type="text"/>	<input type="text"/>
Safety Relief Valves	<input type="text"/>	<input type="text"/>
Pressure Gauge	<input type="text"/>	<input type="text"/>
Corrosion/Thinning	<input type="text"/>	<input type="text"/>
Foundation	<input type="text"/>	<input type="text"/>

Thickness Measurement

Location	Measured Thickness	Minimum Allowable Thickness	Remarks
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
