## **Livestock Handling Incident Report**

| Date of Incident                      |
|---------------------------------------|
|                                       |
| Time of Incident                      |
|                                       |
| Location of Incident                  |
|                                       |
| Person(s) Involved                    |
|                                       |
| Animal(s) Involved                    |
|                                       |
| Injuries (if any)                     |
|                                       |
| Description of Incident               |
|                                       |
|                                       |
| Immediate Action Taken                |
|                                       |
|                                       |
| Recommendations to Prevent Recurrence |
|                                       |
|                                       |
| Reported By                           |
|                                       |
| Date Reported                         |
|                                       |
|                                       |
