

# Solar-Powered Greenhouse Temperature Journal

Date

Time

Ambient Temperature (°C)

Greenhouse Temperature (°C)

Solar Power Output (W)

Notes

| Date | Time | Ambient Temp (°C) | Greenhouse Temp (°C) | Solar Output (W) | Notes |
|------|------|-------------------|----------------------|------------------|-------|
|      |      |                   |                      |                  |       |
