

Home Energy Retrofit Assessment Report

1. Homeowner Information

Name:

Address:

Contact Information:

2. Property Details

Year Built:

Building Type:

Square Footage:

Number of Occupants:

3. Summary of Existing Conditions

System/Component	Description/Condition
Roof/Attic Insulation	
Wall Insulation	
Windows/Doors	
Heating System	
Cooling System	
Water Heating	
Lighting	
Ventilation	
Other	

4. Energy Consumption Overview

Utility	Annual Consumption	Unit	Annual Cost
Electricity		kWh	
Natural Gas		m ³ / therms	
Other (specify)			

5. Identified Opportunities & Recommendations

1. Measure:
- Current State:

Recommendation:
Estimated Savings:
Estimated Cost:

2. Measure:

Current State:
Recommendation:
Estimated Savings:
Estimated Cost:

6. Estimated Cost & Payback

Measure	Estimated Cost	Estimated Annual Savings	Payback Period (years)

7. Additional Notes / Observations

8. Assessor Information

Name:

Qualification:

Date of Assessment:

9. Signatures
