

# Geothermal Resource Pre-Screening Checklist

## SITE INFORMATION

Site Name

Location / Coordinates

Contact Person

## RESOURCE INDICATORS

☐ Evidence of thermal surface features (e.g. hot springs, fumaroles) ☐ Elevated temperature gradient measurements nearby ☐ Hydrothermal alteration zones observed ☐ Presence of geothermal gases (e.g. H<sub>2</sub>S, CO<sub>2</sub>)

## ACCESSIBILITY

☐ Road access to location ☐ Proximity to existing utilities (power, water) ☐ Land ownership and status known

## ENVIRONMENTAL & SOCIAL

☐ Site not in environmentally sensitive areas ☐ No significant negative social impacts identified ☐ Permits and approvals are considered/obtainable

## ADDITIONAL NOTES
