

# Solar Panel Site Assessment Report

## 1. Site Information

Site Address

Date of Assessment

Assessor Name

Contact Person

Phone

Email

## 2. Roof/Area Details

Roof Type

Roof Condition

Roof Slope (degrees)

Available Area (sq ft/m<sup>2</sup>)

Orientation (N/S/E/W)

Height (stories/metres)

## 3. Shading Analysis

Major Obstructions

Shading Observed

Notes / Details

---

## 4. Electrical Infrastructure

Main Panel Location

Main Breaker Size

Service Voltage

Meter Location

Distance to Panel (m)

Upgrade Needed

---

## 5. System Recommendation

Recommended System Size (kW)

Estimated Annual Production (kWh)

Panel Model / Count

Inverter Model / Count

Mounting Type

Comments / Additional Notes

---

## 6. Photos / Sketches

Upload or Insert Photos/Sketches
