

# Solar PPA Technical Evaluation Checklist

## 1. Project Overview

Item	Details/Comments
Project Name	
Location	
Capacity (kW/MW)	
PPA Duration (years)	
Offtaker Name	

## 2. Technical Specifications

Criteria	Compliant	Reviewer Notes
System Type (Rooftop/Ground)		
Installed Capacity (DC/AC)		
Module Manufacturer/Model		
Inverter Manufacturer/Model		
Mounting Structure Type		
Performance Ratio (%)		

## 3. Standards and Certifications

Requirement	Compliant	Reviewer Notes
PV Modules Certified		
Inverters Certified		
Electrical Standards (IEC/UL)		

## 4. Site Assessment

Criteria	Status	Reviewer Notes
Shading Analysis		
Structural Suitability		
Grid Connectivity		
Site Accessibility		

## 5. Operation & Maintenance

Criteria	Status	Reviewer Notes
----------	--------	----------------

O&M Plan Provided		
Monitoring System		
Warranty Terms (Modules/Inverter)		
Performance Guarantee		

## 6. Health, Safety & Environment

Criteria	Status	Reviewer Notes
HSE Plan		
Environmental Approvals		

## 7. Reviewer Summary / Comments

--

## 8. Evaluation Outcome

Status	
Recommended Actions	
Date	
Evaluator Name	
Signature
