

Compressed Air System Efficiency Survey

Company Information

Company Name

Contact Person

Email

Phone Number

Site Address

System Details

Main Compressor Type

Number of Compressors

Compressor Sizes (kW or HP)

Operating Pressure (bar or psi)

Total System Capacity (cfm or l/min)

Typical Load Profile

Air Quality & Usage

End Uses of Compressed Air

Air Treatment Equipment (Dryers, Filters, etc.)

Problems Noted (Water, Oil, Pressure Drop, etc.)

Energy & Maintenance

Operating Hours per Day

Number of Days per Week

Estimated Annual Energy Consumption (kWh)

Maintenance Schedule

Leaks Detected/Reported
