

# Floating Solar Array Grid Integration Application

## Applicant Information

Organization/Name

Contact Person

Email

Phone

## Project Details

Project Title

Location

Water Body Type

Surface Area (m<sup>2</sup>)

Installed Capacity (kW)

Array Layout Description

## Grid Integration Details

Point of Interconnection

Planned Grid Connection Date

Connection Voltage Level

Expected Annual Energy Output (MWh)

Energy Storage Included?

Brief Grid Impact Assessment Summary

## Additional Information

Environmental Considerations

Other Remarks
