## Rooftop Solar Apartment Grid Integration Application

| Applicant Full Name           |
|-------------------------------|
|                               |
| Contact Number                |
|                               |
| Email Address                 |
|                               |
| Apartment Name                |
|                               |
| Apartment Address             |
|                               |
|                               |
| Number of Flats               |
|                               |
| Proposed Solar Capacity (kWp) |
|                               |
| Connected Load (kW)           |
|                               |
| Electricity Consumer Number   |
|                               |
| Utility Provider              |
|                               |
| Installation Type             |
| Connection Type               |
|                               |
| Additional Information        |
|                               |
|                               |
