

# Solar Panel Structural Roof Evaluation Form

## Project Information

Project Name

Property Address

Date of Evaluation

Evaluator Name

Company

---

## Roof Information

Roof Type

Roof Pitch (Degrees)

Roof Material

Age of Roof (Years)

Roof Condition Description

---

## Structural Information

Framing Type

Rafter/Truss Size

Spacing Between Rafters/Trusses (inches)

Sheathing Type & Thickness

Observed Structural Issues

---

## Solar System Load

Total Array Area (sq. ft.)

Total Weight of Solar Array (lbs)

Roof Structural Modifications Needed

---

## Evaluation Summary

Summary of Findings

Conclusion

## Signatures

Evaluator Signature
