Lighting Inventory

Area/Zone	Fixture Type	Quantity	Lamp Type	Wattage per Fixture	Notes
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Control & Operation

Automated Controls (timers, sensors, etc.)

Are manual switches easily accessible?

Lighting schedule set?

Efficiency Assessment

LED Usage (%)

Any faulty fixtures observed?

Other Efficiency Observations

Recommendations
