

Water Efficiency Performance Evaluation

General Information

Facility Name

Location

Date of Evaluation

Evaluator

Water Consumption Data

Month/Year	Total Water Usage (m ³)	No. of Occupants/Units	Notes

Water Efficiency Measures

List any water-saving devices, technologies, or strategies implemented

Comments on effectiveness

Leak Detection & Maintenance

Any leaks detected?

Actions Taken

Performance Assessment

Water usage per occupant/unit

Trends or anomalies

Areas for Improvement

Recommendations
