Environmental Impact Pre-Screening Form for Biomass

Project Information

| Project Name |
|---------------------------------------|
| |
| Drainet Location |
| Project Location |
| |
| Project Developer/Organization |
| |
| Ourstant Description |
| Contact Person |
| |
| Email |
| |
| |
| Phone |
| |
| |
| Biomass Feedstock |
| |
| Type of Biomass Feedstock |
| |
| Source of Biomass |
| Course of Bioffiass |
| |
| Estimated Annual Quantity (tons/year) |
| |
| |
| Project Description |
| Project Description |
| Brief Description of the Project |
| |
| |

Technology Details

| Biomass Conversion Technology |
|---|
| |
| Planned Processing Capacity (MW or tons/year) |
| |
| |
| Expected Start Date of Operation |
| |
| Environmental Considerations |
| Water Use and Source |
| Water Ose and Source |
| |
| Expected Air/Water/Ground Emissions |
| |
| |
| Waste Management Plan |
| |
| |
| Permits and Approvals |
| Permits Obtained or Required |
| |
| |
