

Small-Scale Biomass CHP Pre-Feasibility Form

1. General Information

Organization / Company Name

Contact Person

Email

Phone Number

Project Location (Town, Region)

2. Biomass Resource

Type of Biomass

Annual Biomass Quantity (tons/year)

Biomass Supply (on-site, imported, etc)

Average Moisture Content (%)

3. Energy Demand

Annual Electricity Demand (MWh/year)

Annual Heat Demand (MWh/year)

End-Use (process, heating, etc)

4. Site Characteristics

Available Space for Plant (m²)

Grid Connection (yes/no/unknown)

5. Additional Notes

Other Relevant Information
