## **Waste Heat Source Identification Form**

| Facility Name                               |
|---|
|   |
| Location                                    |
|   |
| Contact Person                              |
|   |
| Process Type                                |
|   |
| Waste Heat Source                           |
|   |
| Estimated Waste Heat Quantity (kW or MJ/hr) |
|   |
| Waste Heat Temperature (°C)                 |
|   |
| Operation Hours per Day                     |
|   |
| Operation Days per Year                     |
|   |
| Additional Notes                            |
|   |
|   |
