

Campus Microgrid Electrical Grid Interconnection Form

1. Project Information

Project Name

Campus Name / Location

Primary Contact Person

Contact Email

Contact Phone

2. Microgrid Details

Microgrid Capacity (kW)

Generation Type(s) (Select all that apply)

Solar
Wind
Diesel Generator
Battery Storage
Other

If Other, please specify

Expected Commissioning Date

3. Interconnection Information

Grid Connection Voltage Level

Interconnection Point Description

Synchronization & Protection Scheme

4. Supporting Documentation

Upload System Schematics (file or link)

Compliance Certificates (file or link)

5. Additional Notes

Notes/Comments
