

Industrial Microgrid Grid-Tie Application

1. Facility Information

Facility Name

Contact Person

Email

Address

Phone

2. Project Description

Project Summary / Objectives

3. Microgrid System Details

Total Microgrid Capacity (kW/MW)

Type of Grid Connection

Renewable Generation Type(s)

Energy Storage Capacity (kWh)

4. Interconnection

Utility Name

Point of Common Coupling (PCC)

Expected Commissioning Date

5. Site One-Line Diagram

Upload Site One-Line Diagram
