

Microgrid with Energy Storage Interconnection Form

1. Project Information

Project Name

Project Location

Owner/Developer Name

Contact Email

Contact Phone

2. Microgrid Details

Microgrid Description

Total Generation Capacity (kW)

Energy Storage Capacity (kWh)

Proposed Point of Interconnection Voltage (V)

3. Energy Storage System Details

Type of Storage Technology

Manufacturer & Model

Power Rating (kW)

Duration (hours)

Inverter Manufacturer & Model

4. Site Details

Site Address

GPS Coordinates (Lat, Long)

Site Description

5. Additional Information

Additional Comments/Notes
