

# Solar Battery Storage Peak Demand Proposal

## Client Information

Client Name

Contact Person

Phone

Email

Site Address

## Project Overview

Objective

Current Challenges

## Proposed System

Component	Model/Type	Quantity	Capacity	Details

Additional Notes

## Peak Demand Analysis

Existing Peak Demand (kW)

Estimated Peak Reduction (kW)

Expected Savings

## Financial Summary

Description	Amount
Equipment Cost	
Installation	
Total	

Payback Period (years)

ROI (%)

## Timeline

Key Milestones

## Terms & Conditions
