

# Green Hydrogen Plant Pre-Feasibility Form

## 1. Project Information

Project Name

Location

Company/Organization

Contact Person

Email

Phone

## 2. Project Details

Planned Plant Capacity (kg H<sub>2</sub>/day)

Intended Use/Application

Expected Timeline for Implementation

Land Availability (hectares)

## 3. Feedstock and Resources

Water Source (type & availability)

Renewable Energy Source

Grid Connection Required?

## 4. Technology Preferences

Preferred Electrolyzer Type

Hydrogen Storage Option

## 5. Additional Information

Brief Project Description

Other Comments / Requirements
