

Solar PV System Commissioning Report

Project Information

Project Name:

Project Location:

Commissioning Date:

Client:

Installer:

System Capacity (kW):

System Details

Array Orientation:

Array Tilt Angle (°):

Inverter Make & Model:

Module Make & Model:

Number of Modules:

Mounting Structure Type:

Other Components:

Test Summary

Test	Status	Remarks
Visual Inspection		
Insulation Resistance		
PV String Open Circuit Voltage		
Inverter Startup		
Grid Connection		
Performance Ratio (PR)		

Observations & Notes

Signatures

Name	Role	Signature	Date
------	------	-----------	------

	Client Representative		
	Installer		
	Commissioning Engineer
