

# Compressed Air System Efficiency Assessment

## Facility Information

Facility Name

Assessor Name

Assessment Date

## System Overview

Compressor Type

Number of Compressors

Total Installed Power (kW)

System Pressure (bar)

## Equipment Details

Compressor ID	Type	Rated Power (kW)	Rated Pressure (bar)	Installation Year	Operating Hours/Week

## Assessment Metrics

Estimated Leakage Rate (%)

Specific Power (kW/100 cfm)

System Usage (Main Applications)

# Opportunities for Improvement

List Actions or Upgrades

## Notes / Observations
