

# Off-Grid EV Charging Station Planning Sheet

## Project Information

Project Name

---

Location

---

Contact Person

---

Email

---

## Site Details

Available Land Area (m<sup>2</sup>)

---

Accessibility Notes

---

Site Coordinates (Lat, Long)

---

Other Remarks

---

## Energy Source

Select Off-Grid Source

---

System Capacity (kW)

---

Hybrid/Other Details

---

## Charging Infrastructure

No. of Connectors

---

Connector Type(s)

---

Peak Charging Power (kW per port)

---

Energy Storage (kWh)

---

**Usage and Capacity**

Estimated Daily Users

---

Operating Hours

---

Expected Maximum Daily Energy Demand (kWh)

---

**Other Notes**

---
