

# Community Energy Efficiency Audit Consent Form

Please read the following information carefully and provide your consent to participate in the Community Energy Efficiency Audit.

## Participant Information

Full Name

Address

Email Address

## Consent Statement

I understand that by participating in the Community Energy Efficiency Audit, I am allowing authorized auditors to assess my property for potential energy efficiency improvements.

I understand that the audit involves inspecting relevant parts of my property, collecting data related to energy usage, and making recommendations for efficiency measures.

I acknowledge that my participation is voluntary and that my personal information will be kept confidential in accordance with applicable privacy policies.
