

# Data Center Energy Consumption Assessment

## Facility Information

Data Center Name

Location

Assessment Date

## General Information

Total Floor Area (m<sup>2</sup>)

Total Rack Count

Operating

Hours per Day

## Energy Consumption

Total Annual Energy Consumption (kWh)

Monthly Energy Consumption (kWh)

Month	Consumption (kWh)
January	
February	
March	
April	
May	
June	
July	
August	
September	
October	
November	
December	

## Power Usage Effectiveness (PUE)

PUE Value

## Equipment Inventory

Equipment Type	Quantity	Power Rating (kW)	Usage Notes
----------------	----------	-------------------	-------------

Cooling Systems

Description

Total Cooling Power Consumption (kW)

Remarks
