## Inverter-Battery Integration Inspection Form

| Project Name                     |            |
|----------------------------------|------------|
|                                  |            |
| Location                         |            |
|                                  |            |
|                                  |            |
| Date of Inspection               |            |
|                                  |            |
|                                  |            |
| Inspected By                     |            |
|                                  |            |
|                                  |            |
|                                  |            |
| Inverter Details                 |            |
| Inverter Model                   |            |
|                                  |            |
| Inverter Serial Number           |            |
|                                  |            |
|                                  |            |
| Rated Power (kW)                 |            |
|                                  |            |
|                                  |            |
| Battery Details                  |            |
| Battery Model                    |            |
|                                  |            |
| Dettern Town                     |            |
| Battery Type                     |            |
|                                  |            |
| Battery Capacity (Ah/kWh)        |            |
|                                  |            |
|                                  |            |
| Battery Serial Number            |            |
|                                  |            |
|                                  |            |
|                                  |            |
| Integration Inspection Checklist |            |
| Physical Connections Secure?     |            |
|                                  |            |
| Polarity Checked?                |            |
|                                  | ľ          |
| Communication Cable Connected?   |            |
|                                  | <b>▼</b> 1 |
