Consent Details

I, the undersigned, hereby grant permission for the authorized solar energy provider and its representatives to access and inspect my property for the purpose of conducting a site audit and assessment for solar installation. This audit may include evaluation of electrical infrastructure, measurement of roof or land space, and photographic documentation.

I understand that the site audit is a preliminary step and does not obligate me to proceed with any installation or service. All information collected will be treated confidentially and used solely for assessment purposes relevant to my inquiry.

☐ I acknowledge that I have read and agree to the terms stated above.
