

# Exit Interview Template for Interns

## General Information

Intern Name

Department

Supervisor Name

Internship Period

Date

## Experience Feedback

What were the most valuable skills or knowledge you gained during your internship?

Which aspects of the internship did you find most enjoyable?

Were there any challenges you faced? If yes, how did you overcome them?

How would you describe the support and guidance from your supervisor and team?

## Work Environment & Culture

How would you rate the work environment?

Do you feel the company's culture aligned with your expectations?

## Suggestions

What suggestions do you have to improve the internship program?

Would you recommend this internship to others?

## Additional Comments

Any other comments or feedback?
