

# IRB Application for Community-Based Participatory Research

## 1. Project Information

Project Title

Principal Investigator(s)

Affiliation(s)

Contact Email

## 2. Community Partner(s)

Organization(s) / Group(s)

Main Contact Person

Role/Contribution of Community Partner(s)

## 3. Project Description

Research Purpose & Objectives

Background & Significance

Community Involvement in Study Design

## 4. Methods

Research Methods / Data Collection

Research Site(s)

Estimated Timeline

## 5. Participants

Participant Inclusion/Exclusion Criteria

Recruitment Process

Estimated Sample Size

## 6. Risk and Benefits

Potential Risks to Participants

Potential Benefits to Participants/Community

Risk Minimization Strategies

## 7. Informed Consent

Consent Process (Who, How, When)

How will participants' confidentiality be protected?

## 8. Data Management & Dissemination

Data Storage, Security, and Access

Data Sharing Plan

How will results be shared with the community?

## 9. Additional Comments or Information
