

# Environmental Impact Assessment (EIA) Submission

## 1. Project Information

Project Title

Project Proponent/Organization

Project Location

Project Description

## 2. Baseline Environmental Conditions

Physical Environment (topography, climate, soil, etc.)

Biological Environment (flora, fauna, natural habitats)

Socio-economic Environment (communities, livelihoods, infrastructure)

## 3. Identification and Evaluation of Impacts

Potential Positive Impacts

Potential Adverse Impacts

Significance of Impacts

## 4. Mitigation and Management Measures

Proposed Mitigation Measures

Environmental Management Plan

## 5. Monitoring and Reporting

Monitoring Plan

Reporting and Review Procedures

## 6. Stakeholder Consultation

Summary of Consultation Activities

## 7. Declaration

Name

Position

Date
