

Climate Risk Resilient Supplier Questionnaire

1. Supplier Information

Company Name

Contact Person

Position/Title

Email

Phone

Location (Country/Region)

2. Governance & Strategy

Does your organization have a climate risk strategy?

If yes, briefly describe the strategy.

3. Risk Assessment

Has your organization conducted a climate risk assessment?

If yes, what were the major identified risks?

4. Physical & Transitional Risks

What physical climate risks (e.g., flood, drought) is your business exposed to?

What transitional risks (e.g., policy, regulation, market change) concern your business?

5. Risk Management Actions

What steps have you taken to manage or mitigate these risks?

6. Reporting & Disclosure

Does your organization report on climate risk (e.g., TCFD, CDP)?

If yes, please specify the frameworks or platforms used.

7. Additional Information

Is there any other relevant information you wish to provide?
