

Green Building Certification Progress Checklist

Project Information

- ☐ Project Registered
- ☐ Project Team Assembled
- ☐ Sustainability Goals Set

Design & Documentation

- ☐ Site Selection and Analysis
- ☐ Design Development
- ☐ Sustainable Materials Selected
- ☐ Energy Modeling Completed
- ☐ Water Efficiency Measures Identified

Construction

- ☐ Construction Plan Created
- ☐ Waste Management Plan Implemented
- ☐ Indoor Air Quality Protection Measures
- ☐ Sustainable Materials Tracking

Post-Construction

- ☐ Commissioning Completed
- ☐ Performance Verification
- ☐ Occupant Training Conducted

Certification

- ☐ Documentation Submitted
- ☐ Certification Review Feedback Addressed
- ☐ Certification Obtained

Notes
