

# Online Gaming Safety Rules Consent

- Never share your personal information online.
- Use strong and unique passwords for your gaming accounts.
- Be respectful to other players and report any inappropriate behavior.
- Avoid clicking on suspicious links or downloading files from unknown sources.
- Set privacy settings to control who can contact or interact with you.
- Ask an adult for help if you encounter anything uncomfortable or unsafe.

☐ I have read and understood the Online Gaming Safety Rules above.
