

# Electric Vehicle Battery Health Report

## Vehicle Information

Owner Name  
Vehicle Make  
Vehicle Model  
Year  
VIN  
Odometer (km)

## Battery Details

Battery Serial Number  
Battery Capacity (kWh)  
State of Health (%)  
State of Charge (%)  
Cycles Completed  
Date of Report

## Recent Charging History

Date	Charge Start (%)	Charge End (%)	Energy Delivered (kWh)	Charging Type
------	------------------	----------------	------------------------	---------------

## Cell Voltage Summary

Cell No.	Voltage (V)	Status
----------	-------------	--------

## Notes / Recommendations
