

Landscaping Crew New Hire Vehicle Policy Consent

As a new member of the landscaping crew, you are required to review and consent to the company's vehicle policy before operating any company or personal vehicles for work purposes.

Vehicle Policy Highlights

- Only authorized and licensed employees may drive company vehicles.
 - Seat belts must be worn by driver and all passengers at all times.
 - No texting, calling, or use of mobile devices while driving.
 - Report all accidents, regardless of severity, immediately to your supervisor.
 - No unauthorized passengers or transport of prohibited materials.
 - Company vehicles must be kept clean and used for work purposes only.
