

Ozone Treatment Auto Detailing Consent

I, the undersigned, authorize the ozone treatment to be performed on my vehicle as part of the auto detailing process. I understand that ozone gas is used for deodorizing and sterilizing purposes. I acknowledge that:

- Ozone treatment requires the vehicle to be unoccupied during and immediately after the process.
- Improper exposure to ozone may be harmful to people, pets, or plants.
- Some odors or contaminants may not be fully removed with ozone treatment alone.
- I assume all responsibility after being notified that ozone treatment has been completed and the vehicle is safe to use.

☐ I have read and understand the above information, and I consent to ozone treatment being performed on my vehicle.
